

## Welcome

The Chardon church of Christ welcomes you to every service and to a full investigation of what we teach, in the light of the Scriptures. At Chardon we read from the King James Version of the Bible.

The church of Christ occupies a unique place in the religious world. It is no part of Judaism, Catholicism, or Protestant Denominationalism. It is as distinct from these religions as they are from each other. Its plea for a return to the Bible has made it appealing to those who long for spirituality and simplicity of the church as revealed in the Bible.

We preach the same gospel and teach the same plan of salvation based upon the grace of God as taught by the apostles. Rom. 1:16.

This plan includes: **Faith** in Christ; Mk.16:16; **Repentance** of sins; Acts 2:38; **Confession** of faith in Christ; Matt. 10:32; **Baptism**; (This baptism is a burial in water of a penitent believer to wash away his sins.) Eph. 4:5.

Our worship is according to the New Testament pattern. Jn. 4:23-24. Services consist of : **Singing** without the use of

man-made instruments of music; Eph. 5:19; **Praying** to God; Acts 2:42. Observing the **Lord's Supper** each first day of the week; Acts 20:7; **Giving** by members of the congregation; I Cor. 16:1-2; **Teaching** of God's Word; Acts 2:42.

## A Spoken Word

**By Ron Thomas**

Proverbs 10:19 says, "In the multitude of words sin is not lacking, but he who restrains his lips is wise." Many years ago I learned that the value of a word fitly spoken penetrates powerfully. Though I learned this I did not always do what I learned. While I was in the USAF, stationed in Guam, I heard a brother in the Lord answer someone's question about why he spoke so little. He responded, "I'm tired of eating my foot." Those few words said more to me than all the philosophy classes I took in college. What is your impression of a person who seems to always be talking? My impression, sometimes, is that the person doing all or nearly all the talking doesn't have much to say, but it is going to be said anyway. The context, of course, of the circumstances (and words) will determine how this is to be interpreted. The proverb writer does not speak anything profoundly spiritual. He simply utters a truth that any mature adult can understand. I wish, though, that many adults would transfer this understanding of theirs into actions. Someone has said that if you give a man enough rope and he will hang himself. I think I'll carry a short rope!
