

## Welcome

The Chardon church of Christ welcomes you to every service and to a full investigation of what we teach, in the light of the Scriptures.

The church of Christ occupies a unique place in the religious world. It is no part of Judaism, Catholicism, or Protestant Denominationalism. It is as distinct from these religions as they are from each other. Its plea for a return to the Bible has made it appealing to those who long for spirituality and simplicity of the church as revealed in the Bible.

We preach the same gospel and teach the same plan of salvation based upon the grace of God as taught by the apostles. Rom. 1:16.

This plan includes: **Faith** in Christ; Mk.16:16; **Repentance** of sins; Acts 2:38; **Confession** of faith in Christ; Matt. 10:32; **Baptism**; (This baptism is a burial in water of a penitent believer to wash away his sins.) Eph. 4:5.

Our worship is according to the New Testament pattern. Jn. 4:23-24. Services consist of : **Singing** without

the use of man-made instruments of music; Eph. 5:19; **Praying** to God; Acts 2:42. Observing the **Lord's Supper** each first day of the week; Acts 2:42; **Giving** by members of the congregation; I Cor. 16:1-2; **Teaching** of God's Word; Acts 2:42.

### Answer to the Puzzle:

**Hidden Phrase:** not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another

*It's give and take in this world,  
with more willing to take than  
to give.*

## Celebrating Christmas

I would like to ask you to do a very difficult thing. Instead of just going along with what everyone says today and without being swayed by hundreds of years of growing modern religious practice, let's just look at the Bible as if we were receiving its letters in the first and second century when they were written and then distributed. I would like to ask you a second difficult thing. Hear me out all the way to the end before shutting me down just because what I'm going to say is not the popular opinion.

Can I share with you a word that is conspicuously absent from the Bible? Christmas. It is not in our Bibles ever. Charlie Brown specials notwithstanding, the Bible never presents a single Christmas story, let alone the first Christmas story. I invite you to read the New Testament from cover to cover, upside down and backwards if necessary. Please provide me one shred of evidence that suggests God has ever asked us or wants us to establish a holiday (holy day) to celebrate the birthday of Jesus?

It seems to me, since the Scripture equips us for every good work (II Timothy 3:16-17), if God wanted us celebrating such a day He would have, at the very least, let us know which day to celebrate. But we can't find that day anywhere in Scripture. Celebrating Christmas as a secular celebration of family, love, etc. does not violate any Scriptural principle of which I'm aware. Just as we might celebrate national holidays of our independence or in memory of our Armed Forces, etc., I believe we can set aside a holiday for giving gifts and spending time with family.

I'll offer my plea one more final time. Instead of just going along with everyone today because it seems like such a pleasant thing, let's go back to the Bible and try not to be swayed by hundreds of years of religious practice to just read what those first century Christians would have read. If you can find authorization for the modern Christmas practice there, then by all means practice it. If not, let's just do what we find in the Bible.
