

Welcome

The Chardon church of Christ welcomes you to every service and to a full investigation of what we teach, in the light of the Scriptures.

The church of Christ occupies a unique place in the religious world. It is no part of Judaism, Catholicism, or Protestant Denominationalism. It is as distinct from these religions as they are from each other. Its plea for a return to the Bible has made it appealing to those who long for spirituality and simplicity of the church as revealed in the Bible.

We preach the same gospel and teach the same plan of salvation based upon the grace of God as taught by the apostles. Rom. 1:16.

This plan includes: **Faith** in Christ; Mk.16:16; **Repentance** of sins; Acts 2:38; **Confession** of faith in Christ; Matt. 10:32; **Baptism**; (This baptism is a burial in water of a penitent believer to wash away his sins.) Eph. 4:5.

Our worship is according to the New Testament pattern. Jn. 4:23-24. Services consist of: **Singing** without the use of man-made instruments of music; Eph. 5:19; **Praying** to God; Acts 2:42; Observing the **Lord's Supper** each first day of the week; Acts 2:42; **Giving** by

Acts 2:42; Observing the Lord's Supper each first day of the week; Acts 2:42; Giving by members of the congregation; I Cor. 16:1-2; Teaching of God's Word; Acts 2:42.

God's Protective Wings

A story in National Geographic several years ago gives us a beautiful and penetrating picture of God's protective wings covering His children. After a forest fire in Yellowstone National Park, forest rangers began their trek up a mountain to assess the inferno's damage. One ranger found a bird literally petrified in ashes, perched statuesquely on the ground at the base of a tree. Somewhat sickened by the eerie sight, the ranger reached out to knock the bird over with a stick. As he gently struck it, three tiny chicks scurried from under their dead mother's wings. The loving mother, keenly aware of impending disaster, had carried her offspring to the base of the tree and had gathered them under her wings, instinctively knowing that the toxic smoke would rise. She could have flown to safety, but she refused to abandon her babies. When the blaze reached her, the heat had scorched her small body, but the mother had remained steadfast because she had been willing to die, those under the cover of her wings had lived.

The Psalmist beautifully illustrates God's protective love and care for each of us in Psalm 91:4 (NIV) when he says, "He will cover you with His feathers, and under His wings you will find refuge".

As His children, let's remember the One who truly loves us (Romans 5:5-10), and then be different from the masses of the world because of that love (Romans 12:1-2; 2 Corinthians 6:14-18).
