

## Welcome

The Chardon church of Christ welcomes you to every service and to a full investigation of what we teach, in the light of the Scriptures. At Chardon we read from the King James Version of the Bible.

The church of Christ occupies a unique place in the religious world. It is no part of Judaism, Catholicism, or Protestant Denominationalism. It is as distinct from these religions as they are from each other. Its plea for a return to the Bible has made it appealing to those who long for spirituality and simplicity of the church as revealed in the Bible.

We preach the same gospel and teach the same plan of salvation based upon the grace of God as taught by the apostles. Rom. 1:16.

This plan includes: **Faith** in Christ; Mk.16:16; **Repentance** of sins; Acts 2:38; **Confession** of faith in Christ; Matt. 10:32; **Baptism**; (This baptism is a burial in water of a penitent believer to wash away his sins.) Eph. 4:5.

Our worship is according to the New Testament pattern. Jn. 4:23-24. Services consist of: **Singing** without the use of

man-made instruments of music; Eph. 5:19; **Praying** to God; Acts 2:42. Observing the **Lord's Supper** each first day of the week; Acts 20:7; **Giving** by members of the congregation; I Cor. 16:1-2; **Teaching** of God's Word; Acts 2:42.

## When Silence Isn't Golden

Author's Note: (This happened during my high school years, but I am including it because it made a lasting impression.)

After winning the long jump competition in a high school track meet, the results were printed in the local newspaper. The next day at school some students, having read the results, were amazed at the distance I had jumped. They said the reported distance was a new school record, breaking the old one by almost two feet.

However, their praise was somewhat bittersweet. True, I broke the record, but the paper made a mistake in the distance I jumped. Here's where my silence wasn't golden.

The praise and adulation was such a heady experience (a seldom one at that), I chose not to mention that the report was in error. All day long the praise kept coming but my silence only made me feel worse.

At days end it was apparent I had made the wrong decision in keeping silent. One must be truthful, even if it means the loss of praise or having to suffer hurt and shame. Not correcting what is wrong, harms the one who keeps silent. Silence never alters facts.

The truth did come out later and the embarrassment was even harder to endure.

The truth may hurt, but a lie is agony.
