

Welcome

The Chardon church of Christ welcomes you to every service and to a full investigation of what we teach, in the light of the Scriptures. At Chardon we read from the King James Version of the Bible.

The church of Christ occupies a unique place in the religious world. It is no part of Judaism, Catholicism, or Protestant Denominationalism. It is as distinct from these religions as they are from each other. Its plea for a return to the Bible has made it appealing to those who long for spirituality and simplicity of the church as revealed in the Bible.

We preach the same gospel and teach the same plan of salvation based upon the grace of God as taught by the apostles. Rom. 1:16.

This plan includes: **Faith** in Christ; Mk.16:16; **Repentance** of sins; Acts 2:38; **Confession** of faith in Christ; Matt. 10:32; **Baptism**; (This baptism is a burial in water of a penitent believer to wash away his sins.) Eph. 4:5.

Our worship is according to the New Testament pattern. Jn. 4:23-24. Services consist of : **Singing** without the use of

man-made instruments of music; Eph. 5:19; **Praying** to God; Acts 2:42. Observing the **Lord's Supper** each first day of the week; Acts 20:7; **Giving** by members of the congregation; I Cor. 16:1-2; **Teaching** of God's Word; Acts 2:42.

Does Attending Make a Difference?

How many times have you attended a worship service? How many times have you attended when you felt more like staying home? Have you ever wondered if there might be a different way to approach worship then to file into the church building three times a week, week after week?

A lot of congregations have experimented with alternative approaches to worship and Bible study. Some no longer meet on Sunday and Wednesday nights while others meet in homes of members on those evenings. It is interesting to note that most of these have gone back to the old routine or wish they could.

The simple truth is that the assemblies should be a vital part of our Christian development and the more we attend the more we should develop in ways God wants us to develop.

It is only natural for us to be tired and draggy from time to time as we walk through the door of the church building. Our schedules at home and on the job are tough. But if we have the right frame of mind and the leaders have planned for the assemblies to provide a careful, continuing examination of Bible truths, it will make a difference and we'll be the better for it, week after week after week.
