# Do You Like Honey?

By Caleb J. Rutherford

Have you ever eaten honey? Or how about honeycomb? See, I am not a fan of either. The only way I will eat honey is if it is drizzled over a hot biscuit. But I do know, however, the sweetness that comes with honey and the honeycomb. It is something that is quite pleasant to many people, and something that would be considered a treat to eat.

I think about the book of Proverbs, and how so often, the plea for its readers is to adhere to the wisdom and the knowledge of God. To remember the advice of the Father, to apply it to our lives, so that we might be able to make the best decisions possible in the coming future. I specifically think about chapter 24 and vs. 13 - "My son, eat honey because it is good, and the honeycomb which is sweet to your taste; (14) So shall the knowledge of wisdom be to your soul; If you have found it, there is a prospect, and your hope will not be cut off." No one likes to put something that tastes bad in our mouths.

If someone does not like broccoli, he will not seek out broccoli to eat. But honey, it is sweet, it is good to the taste (for some people), and it is something that most would seek out, in order Greeting: Mark to eat it. Well the same should be with knowledge and wisdom. Song Leader: Ray It ought to be something that we hunger for. It ought to be Opening Hymn: something to strive for.

It should be something that is sweet to our lives, because we **Opening Prayer:** know it will better our lives. So often, people do not want help. Mark Many people in our world today think we have it all figured **Hymn**: out; and, "who are you to tell me that I need advice on how to 521—I'm Not Ashamed to Own My deal with this or that." And yet so often, we make mistake after Lord mistake after wrong choice after wrong choice, simply because we did not listen to the wisdom and advice that someone has to offer. If we know that someone can help us in a situation, we ought to be people who will swallow our pride, get rid of our Hymn: arrogance, and listen to the advice. Well the same is true with 300—Must Jesus Bear the Cross us spiritually. We know that the Word of God has everything that we need in order to be the best Christian that we can be (2) Timothy 3:16-17). Therefore, why would we not allow it to shape and change our lives? Why would we not allow the wisdom and the knowledge of our God, help form us into the best servants for Him? Let's be individuals who seek out the wisdom of God, and not only seek it, but then apply it to our everyday lives.
