

Welcome

The Chardon church of Christ welcomes you to every service and to a full investigation of what we teach, in the light of the Scriptures. At Chardon we read from the King James Version of the Bible.

The church of Christ occupies a unique place in the religious world. It is no part of Judaism, Catholicism, or Protestant Denominationalism. It is as distinct from these religions as they are from each other. Its plea for a return to the Bible has made it appealing to those who long for spirituality and simplicity of the church as revealed in the Bible.

We preach the same gospel and teach the same plan of salvation based upon the grace of God as taught by the apostles. Rom. 1:16.

This plan includes: **Faith** in Christ; Mk.16:16; **Repentance** of sins; Acts 2:38; **Confession** of faith in Christ; Matt. 10:32; **Baptism**; (This baptism is a burial in water of a penitent believer to wash away his sins.) Eph. 4:5.

Our worship is according to the New Testament pattern. Jn. 4:23-24. Services consist of : **Singing** without the use of

man-made instruments of music; Eph. 5:19; **Praying** to God; Acts 2:42. Observing the **Lord's Supper** each first day of the week; Acts 20:7; **Giving** by members of the congregation; I Cor. 16:1-2; **Teaching** of God's Word; Acts 2:42.

You'll Get Dizzy

A certain man was troubled with dizzy spells, redness in his face and bulging eyes. Every day when he went to his office, he experienced these things. Week-ends were not so bad, so he concluded his work was causing his physical discomfort. He went from one doctor to another and none could tell him what the problem was. He consulted psychiatrists, psychologists and psychics. What was wrong? Why was he constantly suffering from dizzy spells, redness in his face and bulging eyes? He tried everything, it seemed. Nothing helped. He finally resigned himself to the fact that whatever was causing all this was fatal. It bothered him so much he began to lose weight. He couldn't sleep at night. He feared he would never overcome this. He became a nervous wreck and his health began to deteriorate. He had lost hope that he would ever recover. He decided to prepare for the worst. He made out his will, bought a cemetery plot, instructed the preacher what he wanted at his funeral, and even made arrangements with the local undertaker. He was fully convinced of his soon demise. He even decided to buy a new suit of clothes to be buried in. When he went into the clothing store he was measured for everything. He picked out shoes, socks, coat, and pants. The sales person asked, "What size shirt will you be need-ing, sir?" "Size 15, please," he replied. The clerk said, "But, sir, I believe that is a bit small. Let me measure your neck size." After the measurement, the sales person said, "I'm sorry sir, but your will need a 16 1/2, not a size 15." But the man insisted, "No, I have worn a size 15 for years."

The sales person tried several times to convince his customer that he needed a 16 1/2, but the man would have nothing of it. Finally, the exasperated sales person said, "Well, sir, if you insist, we'll get out a size 15, but I must warn you, you will have dizzy spells, get red in the face, and your eyes will bulge out." Some people are so set in their ways, they will never admit the obvious. Some are so unwilling to change they appear to prefer to remain spiritually without comfort. Long ago, a very wise men wrote:

"The way of a fool is right in his own eyes: but he that hearkeneth unto counsel is wise" (Prov. 12:15).
